# NEW MODELS 2013

# TRAFORART

TraforArt is imported by Fiamma Llc. for N.A.

The New TRAFORART® fireplace line pays special attention to quality and detail. Our Design development team is always looking for new innovative ways to enhance our portfolio toward the latest trends and quality materials for your specific needs. In this presentation you will find five of our new models that are ready for production. Within the following months TRAFORART® will have an exciting new catalogue with many new products for you and your clients.
